Lion Bruddah Sean Benito – District Governor

**Aloha,**

District 50 Hawai'i Lions are an 'ohana of everyday people who step up to serve when our communities need us most. We are neighbors serving neighbors — aunties, uncles, parents, professionals, and volunteers united by one purpose: to serve Hawai'i with heart. This is **Aloha Power** in action.

From keiki to kūpuna, Lions across our islands show up with compassion, teamwork, and commitment. When you support Hawai'i Lions, your support stays right here at home — creating real impact for real people in our communities. Living our motto, "**We Serve**," Hawai'i Lions focus their efforts on Lions International Global Causes, including vision, hunger, diabetes, the environment, pediatric cancer, youth, and many other community-based initiatives. Each project represents the time, energy, and genuine care our Lions give to the people of Hawai'i.

As we prepare for the **District 50 Hawai'i Lions Convention**, we invite you to partner with us as a "**Service**" **Sponsor**. Your sponsorship directly supports local service projects throughout Hawai'i and helps strengthen our growing 'ohana of service heroes. Enclosed in this packet, you will find additional information about District 50 Hawai'i Lions, along with an opportunity to advertise your business or organization in our **Convention Souvenir Booklet**.

Mahalo for your consideration and for helping us make the largest event and fundraiser for District 50 Hawai'i Lions a success.

**Mahalo nui loa,**
